There will be sun. We promise. Now that winter is retreating and the flowers are out and patio season is full on, time to explore. Gotta keep this short. There's over 20 festivals and events in May. Stop reading and start going!

### Montreal Salsa Convention

*May 17-21, 2018*

Get your party shoes out and join the salsa festival. Watch both Canadian and international greats or learn to salsa for yourself. Check out the competition, watch nightly shows, or take workshops. Partners not required. For those interested, click [HERE](#).
